For the ministries of our church, especially our Ministry to Vulnerable Children. Help us as a church to identify more families who will serve as Safe Families hosts, so that children in crisis will have a safe place to sleep, and parents can be empowered to make safe choices for their children before the foster care system must be involved.

For our nation: Please be with all those touched by the Corona virus. Guide and support patients, care providers, medical professionals, and government officials. May everyone remain alert and informed, but not panicked or unduly distressed.
